Culture A World of Difference Year 3/4 - Adventurers

India is located in the Northern hemisphere and in the continent of Asia.

What should I already know:

I can name and locate the **world's seven continents** and **five oceans**.

I can name, locate and identify characteristics of the **four countries and capital cities of the United Kingdom** and its **surrounding seas**.

I know the **location of hot and cold areas of the world** in relation to the **Equator** and the **North and South Poles**.

I can use basic geographical vocabulary to refer to:

key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather.

key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop.

Flag of India

Famous Landmarks / Physical features:

The River Ganges at Jaipur, India.

The Himalayas, India.

New Delhi, the capital city of India.

Making chapatis to sell, India.

Culture A World of Difference Year 3/4 - Adventurers

Vocabulary:

human features	The structures that have been built or made by humans. They are not natural objects.
physical features	The natural environment of an area.
climate	The weather conditions and patterns over a long period of time.
culture	The pattern of behaviour shared by a group of people.
hemisphere	Half of a sphere. The Earth is divided into Northern and Southern hemispheres, separated by the equator.
bodies of water	Any significant amount of water on the planet's surface.
mountain range	A group of mountains connected together.
architecture	How buildings are designed and made.
cuisine	A style or way of cooking.

By the end of this topic I will be able to:

- Locate India on a world map.
- Name some mountain ranges in India.
- Name some major rivers in India.
- Name some cities in India and some of their human and physical features.
- Talk about some aspects of Indian culture.

What I need to know:

Where is India? What is the climate like?	Does India have any mountains?	Does India have any rivers?	What are the cities like?	What is Indian culture like?
